

LF Fosu

I am a Chartered Accountant and holds MBA from International Institute for Management Development Business School (IMD). Through my various engagements and work experiences, I acquired extensive experience of over 18 years in the public sector, private sector, non-governmental organisations and international financial institutions.

In the private sector, I had an opportunity of acquiring subsector experience in the following areas amongst other:

- Pharmaceuticals and health services
- Industrial manufacturing
- Financial services
- Mining sector
- Construction

In the public sector, I had an opportunity of acquiring subsector experience in the following areas amongst other:

- Power and energy
- Transport sector
- Road Infrastructure
- Mining
- Enterprise development
- Social services
- Constitutional Institutions

Also due to the governance and oversight opportunities afforded, as a result of my participation on Boards, Board sub committees, EXCO and other ExCo Committees, have been able to make contributions at both strategic and operational levels.

I acquired competencies and skills in the following areas:

- Finance
- Strategy development and implementation
- People and business management
- Business Process mapping
- Enterprise Resource Planning (ERP system) implementation
- Financial accounting
- Costing and management accounting
- Business reporting
- Auditing
