SAHPRA's website has revamped navigation for easier access to key documentation & E-Services

Pretoria, 11 March 2024 – The Communications and Public Relations Unit has again re-evaluated the navigation of the South African Health Products Regulatory Authority (SAHPRA) website for easier access to key documentation and E-Services.

- **Key documentation** such templates, forms, guidelines, and Communications to Industry are now even more accessible with guiding visuals under E-Library, just below the sliding banner.
- **E-Services** now has a place in our secondary navigation.

Navigation has changed from this:

To this:

The screenshot shows a website interface with a dark header and a light main content area. The header features a 'Media Release' section with the title 'Pretoria High Court Judgement on COVID-19 Vaccinations' and a 'Read more' button. Below this is the 'E-Library' section, which includes a search bar with the text 'Looking for a document - search here:' and a search input field containing 'For e.g., Reliance Guideline'. Below the search bar are four document thumbnails labeled 'Forms', 'Guidelines', 'Communication to Industry', and 'Templates'. The bottom section is a grid of 'E-Services', 'Industry', 'Safety', and 'Updates' categories, each with a list of links. The 'E-Services' and 'E-Library' sections are highlighted with red boxes.
