South African Health Products Regulatory Authority (SAHPRA) announces urgent webinars scheduled for Monday, 07 April 2025, Wednesday, 09 April 2025 and Friday, 11 April 2025 from 14H00-16H00.

Following the launch of the SAHPRA Engagement Portal on 01 April 2025, several user-driven issues have been identified, leading to system failures. These webinars aim to address these concerns promptly.

Applicants who adhered to correct processes have successfully uploaded their submissions.

SAHPRA strongly encourages all applicants to participate in these sessions to ensure proper procedural compliance and to facilitate seamless uploads moving forward.

Kind regards.
