

COMMUNICATION TO STAKEHOLDERS

Issue No.: 01-2025/26

25 September 2025

Pilot: Clinical Trial Applications Electronic System

SAHPRA has embarked on a process to digitalise its business processes. A pilot electronic process is planned for new medicinal clinical trial applications for the month of October 2025, with the official launch of the system expected early in 2026.

The submission of pilot Clinical Trials Application is anticipated to be between 13 and 17 October 2025 (Submission due date 17 October 2025). In addition to the pilot the applicants will be required to submit the applications through the current process.

We would like to invite applicants who have any new applications that are due for submission and would like to participate in this pilot to contact the central mailbox, ctresponses@sahpra.org.za and cc kedibone.malatji@sahpra.org.za.

If you could kindly indicate your interest by 29 September 2025 so that the training of volunteers could be arranged. In addition, please indicate the therapeutic area of the clinical trial.

The selected applicants will be invited for a testing session that will be held virtually via MS TEAMS on 03 October 2025.

SAHPRA envisages that the benefits of the electronic system should result in:

- Easier workflow
- Improved data retention
- Reduced timelines
